NARRATIVE:

Sergio Heredia is a documented gang member and has an extensive adult criminal history that began at the age of 18. His convictions include criminal conspiracy, possess dangerous weapon, possess narcotic controlled substances for sale, false ID to peace officer, robbery, possession of marijuana for sale, prohibited ownership of ammo, and smuggling controlled substances into prison. He has served multiple state prison terms, the longest being a 9 year term for possession of marijuana for sale. Heredia was released from state prison to the supervision of the Los Angeles County Probation Department on February 21, 2020. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in November 2022 after he absconded from post release community supervision (PRCS). Heredia qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for smuggling controlled substances in prison is defined as non-serious and non-violent under the California penal code. His criminal history, gang membership status, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
